### TALENT

#### GREAT BEAR TRIO + MARK HELLENBERG

The Great Bear Trio is one of the most exciting contra bands in the nation, providing a unique brand of high-energy folk music. Brothers **Andrew and Noah VanNorstrand** and mother, **Kim**, play twin fiddles and piano but these are augmented by mandolins, guitars, banjo, and an assortment of percussion including the djembe and didgeridoo. They draw heavily on Celtic and Appalachian fiddling traditions but with plenty of room for improvisation and an occasional alt-rock or world beat groove creeping into the rhythm section. Joining Great Bear is drummer extraordinaire **Mark Hellenberg**. Mark has been playing traditional music for over 40 years. He is also a member of The Sevens and Hotpoint String Band and works with other contra dance luminaries including the Reckless Ramblers and Wild Asparagus.

#### SETH TEPFER

**Seth Tepfer** is "Atlanta's Dance Magician," known for short walk-thru's, and his 'hash-contras'. Seth calls with infectious energy and his warm enthusiasm is contagious, getting everyone moving, smiling, and having a great time. Whether squares, contras, or other folk dances, you can be certain that all involved - novices and experienced dancers alike - will amble away happy and eager to dance more!

#### COFFEE ZOMBIES

The Coffee Zombies - **Tom Cunningham**-fiddle/guitar, **Dianna Davis**-piano/accordion/clarinet, and **Bob Douglas**-percussion/guitar - have rocked dancers in the Midwest and South. The fusion of old-time, Celtic, French-Canadian, swing and original tunes with a hard-driving rhythmic base makes it impossible to stay off the dance floor.

#### FRANK BUSCHELMANN

**Frank Buschelmann** is a popular Cincinnati caller selected by our dance community to represent the best of Cincinnati at this year's PTF. Frank provides clear, concise walk-thru's so that more time can be dedicated to dancing.
